

Ced'R-Vue™

THE PERFECT CHOICE FOR A PREMIUM LOOK

Whether the architectural style is contemporary or traditional, the look of cedar delivers charm and elegance to any home. The grain pattern of Canoxel Ced'R-Vue™ siding varies board to board for a texture so authentic looking, it's virtually indistinguishable from genuine cedar siding. This hard-wearing siding delivers all the weatherability and performance of natural cedar without the inconvenience of continual maintenance.

The 6" Ced'R-Vue™ is available in 12 colours and the 9" is available in 13 colours.

Ridgewood D-5™

THE LOOK OF 5" COVE SIDING IN A 12" PLANK

With Canoxel Ridgewood D-5™ the classic appeal of Dutch lap siding makes your home more inviting. The deeply embossed cedar grain texture varies board to board, and bold shadow lines give the rich, lustrous appearance of natural wood. Canoxel siding's baked-on, multiple finish coats and sealers give you years of high-performing durability in punishing weather and harsh climates.

Ridgewood D-5™ comes in 14 attractive, eye-catching colours that are sure to complement any architectural design.

Ultra Plank™

BEAUTIFUL MULTI-LAP SIDING NO MATTER HOW YOU LOOK AT IT

With deep grooves and strong shadow lines that highlight its realistic wood grain texture, Ultra Plank™ also enhances cabins, homes, and commercial buildings with the look of rich, natural wood — without many of the typical inconveniences. The Canoxel manufacturing process bakes on multiple coats of finish and sealer, producing a substrate resistant to cracking, splitting, warping, splintering, and buckling.

Available in 11 vibrant colours, Ultra Plank™ boasts the extraordinary weatherability found in all other Canoxel siding products, maintaining its integrity even in harsh conditions.

Warranty

In addition to our standard 25-year Substrate Limited Warranty against cracking, denting, and hail damage, the finish of our Ced'R-Vue™, Ridgewood D-5™, and Ultra Plank™ siding is covered by a 15-year Limited Warranty. For further information, please refer to the detailed warranty.

Canoxel Pre-finished Siding Offers You The Rich Look Of Natural Wood With Less Maintenance

For more than thirty years, Canoxel premium siding has adorned stately mansions and Victorian homes, accentuated the charm of seaside cottages, and bestowed functional elegance on commercial buildings. A pre-finished siding for discerning tastes, Canoxel siding delivers unparalleled performance by capturing the warmth, tradition, and durability of cedar.

Our heat-cured finish helps protect your siding from fading, peeling and warping caused by the elements — so your home will look beautiful for years. With 14 factory-finished colours to choose from, you're selecting a product that suits your taste. And our siding is backed by a 15-year Finish Limited Warranty and a 25-year Substrate Limited Warranty to put your mind at ease.

It's hard to imagine we've beaten Mother Nature at her own game. But we have.
